

FINE ARTS VOLUNTEER APPLICATION

EVENT DESCRIPTION

Description: LINK-Fine Arts is a local charity program, a community driven funding program that provides registration grants for children aged 8-12 to participate in different fine arts clubs. LINK-Fine Arts created 2 clubs, the music and art club, and volunteers are needed for teaching different fine arts skills as well as organizing activities for the participants at afterschool events at booked locations. We have made it our duty to help children recognize their passions at a young age. Therefore we need your help so all the elementary school students interested can gain a further understanding about fine arts outside of a school environment.

Duties may Include:

- Assisting in organising activities for participants
- Teaching participants different fine art skills such as sketching cartoon figures
- Assisting participants when faced with difficulties
- Distribution of LINK-Sport information; answering general inquiries about LINK-Sport

A Police Information Check is required to become a volunteer for LINK Hobby Discovery.
