

LANGUAGE ARTS PROGRAM VOLUNTEER APPLICATION

EVENT DESCRIPTION

Description: LINK-LA is a local charity program, a community driven funding program that provides registration grants for children aged 8-12 to participate in Language Arts activities. Volunteers are needed for organizing activities and assisting the participants at afterschool events at booked locations. We believe it is best for children to discover their passions at a relatively young age, therefore we need your help so all elementary students interested can receive further knowledge.

Duties may include:

- Finding books for the participants
- Organizing debates among the participants
- Distribution of LINK-LA information; answering general inquiries about LINK-LA
- Reading interesting material with the participants

A Police Information Check is required to become a volunteer for LINK Hobby Discovery
